Changing Tracks actively promotes and encourages participants to move freely around their environments and communities including accessing public transport.

Getting started with Changing Tracks is easy.

You can do this in the way that suits you best:

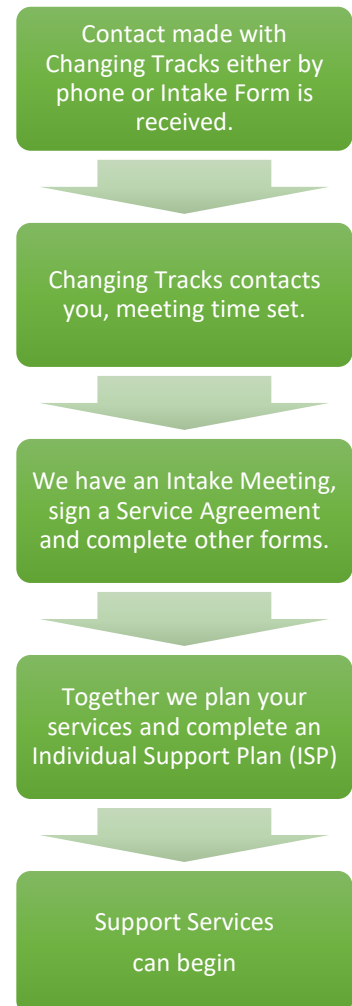

- Via our website -select 'Join Us' button and complete the online form
- Either you or a chosen representative can give us a call on **0447 325 196**

Once contact has been made a Changing Tracks representative will contact you.

At the same time, we can arrange an Intake Meeting where we get together and gather more information about you, your goals and organise a Service Agreement.

The signed Service Agreement and completion of other relevant forms (Communication Consent form, Individual Support Plan, Participant Profile Form & Program of Support) means that we can begin working with you.

5. CAN SOMEONE ELSE DO THE TALKING?

Yes. With your consent, Changing Tracks is happy to speak to another person who can act on your behalf. This person is called your Chosen Representative. Your Chosen Representative may be someone such as a family member, friend or advocate. *For more information about advocacy services see details on page 18.*

PROGRAM INFORMATION

6. INDIVIDUAL SUPPORT PLANS

All people who receive support services from Changing Tracks will have an Individual Support Plan (ISP) developed.

- Your **ISP** provides guidance to Changing Tracks about your goals.
- It includes information about the things you would like to work towards with Changing Tracks during the dates of your current NDIS plan.
- Your **ISP** is developed with you. With your permission chosen representatives such as family members, friends, advocates, or Support Coordinators are also able to contribute.
- Changing Tracks records notes about your progress towards your goals after every session of support.
- Your **ISP** will be reviewed annually or earlier. This typically happens at registration renewal however your **ISP** can be adjusted at any time by communicating with staff or the Director.
- Changing Tracks treat your privacy very seriously. Where appropriate, information on the **ISP** is communicated to family members, carers, other providers and relevant government agencies (as listed on your Communication Consent Form).

7. PROGRAMS OF SUPPORT (POS)

The NDIS has introduced a new concept called a 'Program of Support' (POS).

- **POS** apply to all regular weekday programs (Mon-Fri) provided by Changing Tracks.
- A **POS** is like a booking and ensures your place in the group is reserved for you.
- A **POS** is not subject to the short notice cancellation rules, securing the viability of group activities and managing cancellation risk. This means that Changing Tracks can bill you for the sessions you've agreed to attend even if you can't make it from time to time.
- Multiple **POS** can be added to a person's service agreement with Changing Tracks. For example, if you have a one-year NDIS plan then we may add two, six-month POS to your service agreement.
- At the end of each **POS**, we will contact you to review your goals to ensure they remain relevant and that you are happy to continue with the **POS**.

8. REGULAR WEEKDAY PROGRAMS & WEEKEND EVENTS

A Program Outline will be provided to you for each Program or Weekend Event you sign up to. This will include information about the type of activities, meeting place and time, specific clothing or footwear requirements, what food or drinks to bring and whether extra money is required.

Each participant will be given a Program Plan & Itinerary. This lists the Programs and Events you'll be doing each week and any specific requirements for each session.

9. SUPPORTED HOLIDAYS / RESPITE

Before each supported holiday you will receive an **Information Pack**. This will include an itinerary, a checklist of things to bring, an Assistance with Medication Consent Form, drop off and pick up information & contact details for staff.

SERVICE COSTS and BOOKINGS

10. TURNING YOUR PLAN INTO SERVICES

Here's how it works:

- You choose what you'd like to do with Changing Tracks.
- Changing Tracks provides a quote for the support costs.
- If you agree to the costs and your NDIS plan has sufficient funding, Changing Tracks develops your Service Agreement, an Individual Support Plan that meets your needs, and as necessary, a Program of Supports (POS)
- You nominate how you'd like your finances to be managed (agency, plan management or self-managed).
- Once this Service Agreement & POS is signed by you and a member of the Changing Tracks team, services can commence.

11. SUPPORT COSTS

Support Costs are the costs of the service that is claimed from your NDIS plan.

Please note, these costs are set by the NDIS and have been taken from the NDIS Price Guide which is subject to change without notice. The exact cost for supported holidays is not listed, as it will vary depending on the length and dates of the holiday. The approx. price below is for a weekend holiday and gives some indication of the expected cost.

| REGULAR WEEKDAY PROGRAMS OR WEEKEND ACTIVITIES | | |

|------------------------------|---|----------------------|
| Category | Program | Total Cost (approx.) |
| Core | Group based supported holidays -weekend based | \$1850.00pp |

12. MAKING PAYMENTS

Generally, once a Service Booking has been made and a support service provided to you, Changing Tracks will send an invoice for the costs directly to the NDIS.

However, if you Self-Manage your plan or have a registered Fund Manager in place, invoices will be sent directly to you or your Fund Manager. Your Service Agreement allows you to select your invoice management details. If these arrangements change, please tell Changing Tracks as soon as possible.

13. COSTS NOT COVERED BY NDIS

Your NDIS funding covers your Support Costs. Support Costs refer to the cost of helping you to access an activity or program. Usually, this means the cost of employing staff. The Support Costs for services Changing Tracks provide are listed in the table on the previous page.

At times, there may be additional **Out of Pocket Expenses** to you, such as:

- Public Transport fares -we can help you organise a myki Card if necessary
- Lunch during the week - we recommend you bring lunch from home
- Spending money for Weekends Away or Holidays

At times Changing Tracks may need to invoice you for **Activity Costs**. Activity Costs are expenses that cannot be covered by your NDIS funding and may include:

- Weekday Programs (groceries for cooking, gym & swim admission, equipment costs, transport costs etc.)
- On Holidays (transport, accommodation, meals etc.)
- On Weekend Events (admission to the event, transport etc.)

Please note: Changing Tracks can assist with budgeting or money handling skills for activities but cannot take responsibility for client finances. Changing Tracks actively promotes independent money handling and payments.

14. TRAVEL ARRANGEMENTS

Changing Tracks may be able to assist with some travel arrangements either by using your NDIS funding or as an out-of-pocket expense. Contact us for more details.

15. CHANGING YOUR MIND

You can change your mind at any time. Cancel or alter your Service Booking by contacting Changing Tracks. Please note this may take up to 28 days to process.

MEDICATION

16. MEDICATION ADMINISTRATION

If required, Changing Tracks can assist with the administration of your medication or remind you to take your medication during programs. In order for us to do this, the following guidelines must be met.

ASSISTANCE WITH MEDICATION

If you need Changing Tracks staff to **administer or to remind you to take** your medication during any Changing Tracks program, a Medication Assistance & Consent Form must be completed (this includes prescription & over the counter pain drugs such as paracetamol or ibuprofen). You will be provided with this form during your Intake Meeting. It will be stored in your file.

An updated Medication Assistance & Consent Form is required

- Every time your medication is changed
- Every time you attend a Weekend Away, Holiday or Respite

A Medication Assistance & Consent Form will be sent to you for completion prior to each Weekend Away, Holiday or Respite.

MEDICATION REQUIREMENTS

- All **tablet** medication must be packaged in a Webster Pack (see picture 1). This includes prescription & over the counter pain drugs such as paracetamol or ibuprofen. This is usually a free service from chemists, intended to help people manage their daily medication. All Webster Packs must be clearly labelled with your name, directions for administration and dosage amount on the packaging.
- All **liquid** medication must be in the original bottle provided by your chemist (see picture 2). All Liquid Medication must be clearly labelled with your name, directions for administration and dosage amounts on the bottle.

RIGHTS, PRIVACY and RESPONSIBILITIES

18. PROTECTING YOUR RIGHTS

Changing Tracks will always work in a way that protects your rights as an individual, not just because it's the right thing to do, but also because your rights are protected by the law. Changing Tracks has undertaken an intensive accreditation process to ensure that we comply with mandatory regulations set out by the NDIS Quality & Safeguards Commission -Practice Standards.

NDIS QUALITY & SAFEGUARDS COMMISSION: PRACTICE STANDARDS

The NDIS Practice Standards specify the quality standards to be met by registered NDIS providers to provide supports and services to NDIS participants. Together with the [NDIS Code of Conduct](#), the NDIS Practice Standards build NDIS participants' awareness of what quality service provision they should expect from registered NDIS providers.

NDIS Practice Standards modules

The NDIS Practice Standards consist of a core module and several supplementary modules that apply depending on the types of supports and services you deliver and your organisational structure.

Each module has

- a series of high-level, participant-focused outcomes
- for each outcome in the modules, the NDIS Commission has prepared quality indicators that approved auditors use to assess compliance with the NDIS Practice Standards.

Core module

The core module covers:

- rights of participants and responsibilities of providers
- governance and operational management
- the delivery of supports, and
- the environment in which supports are delivered.

VICTORIA'S CHARTER OF HUMAN RIGHTS & RESPONSIBILITIES

The Charter is a law in Victoria. Organisations who give public services to the community must follow the Charter. If you use their services you can say if you think they are not giving you your rights. Everyone's rights are equal. You should not be treated unfairly because of things like race, religion, age or disability. These are the rights that the law says everyone should have. They are your rights.

For more information on the Charter of Rights & Responsibilities you can call the Victorian Equal Opportunity & Human Rights Commission – 1300 292 153 or visit their website www.humanrightscommission.vic.gov.au

19. PROTECTING YOUR PRIVACY

Changing Tracks treats your privacy very seriously, not just because it's the right thing to do, but also because the law protects your privacy. Legislation is in place to protect you and Changing Tracks must abide by it. (*Disability Services Act 2006, Information Privacy Act 2000, National Disability Insurance Act 2013*)

19. ACCIDENTS & INCIDENTS

Changing Tracks is committed to ensuring the safety and wellbeing of all participants but sometimes incidents and accidents occur. Changing Tracks expects all staff to report incidents when they arise. This ensures that we can provide the appropriate support to those involved, and incident reviews can take place to reduce the likelihood of similar events occurring in the future.

REPORTABLE INCIDENTS

- The NDIS Commission has deemed some participant incidents to be *reportable incidents*, requiring notification to the NDIS Commission.

Reportable incidents are serious incidents or allegations which result in harm to an NDIS participant including:

- The death of an NDIS participant
- Serious injury of an NDIS participant
- Abuse or neglect of an NDIS participant
- Unlawful sexual or physical contact with, or assault of, an NDIS participant
- Sexual misconduct committed against, or in the presence of, an NDIS participant, including grooming of the NDIS participant for sexual activity
- The unauthorised use of a restrictive practice in relation to an NDIS participant

It should be noted that reporting a reportable incident to the NDIS Commission does not replace obligations to report suspected crimes to the police and other relevant authorities (for example, child protection).

KEEPING IN TOUCH

22. CHANGES TO PERSONAL DETAILS

It's really important that we have up to date information about you. You can call 0447 325 196, email info@changingtracks.com.au or just let a staff member know.

Sometimes your NDIS plan can change unexpectedly. Your NDIS review may be brought forward or extended, or your funding amounts may be altered. 26. IS CHANGING TRACKS THE RIGHT SERVICE TO CHOOSE?

Changing Tracks may not always be the most suitable Support Service for you.

Changing Tracks is a Community-Based provider, meaning all the supports we provide take place in the community. We may not have the facilities or capacity to meet everyone's needs. At times, we may have limited capacity to provide more intensive programs, such as Individualised Support or Behaviour Management. Sometimes Personal Care needs may mean that Changing Tracks is unable to provide services. If this is the case, we will talk with you about this and assist with a referral to another agency if necessary.

27. ENDING SERVICES WITH CHANGING TRACKS

You have choice and control over the services you receive through Changing Tracks

You can end your Service Agreement with Changing Tracks at any time for any reason. If you wish to do this, please speak to Mat or Tony in person or over the phone, or notify them by email info@changingtracks.com.au

Changing Tracks also reserves the right to end your Service Agreement if necessary.

Reasons may include:

- Limited engagement from you such as - Not turning up for sessions
 - Ongoing late cancellations
 - Regularly leaving your sessions early
 - Unwillingness to work towards your agreed goals
 - Unwillingness to review your program
- Aggressive or inappropriate behaviour
- A change in your medical or personal care needs, which means Changing Tracks is no longer qualified or able to support you

If we need to cancel your service, Changing Tracks staff will meet and discuss the issues with you prior to taking any further action.

FEEDBACK

28. HOW ARE WE DOING?

Changing Tracks takes your feedback very seriously and is committed to resolving issues fairly and as quickly as possible.

Changing Tracks values feedback of any sort, whether it is a complaint, a compliment, or a suggestion. We encourage participants and their chosen representatives to provide feedback freely. This helps us to understand what is working well, what is not working well, and what people need and want from our service.

It is a condition of registration that registered NDIS providers have a complaints management and resolution system, which complies with the requirements set out in NDIS Quality & Safeguards Commissions Practice Standards.

Complaints are also one of the best ways to identify problems with service delivery and how they can be fixed. Fostering an organisational culture that values and learns from complaints is one of the most important ways that Changing Tracks continues to meet people's needs and continuously improve their services.

29. AUDITS, SURVEYS & OTHER FEEDBACK REQUESTS

Changing Tracks is an NDIS registered organisation and is required to undergo a rigorous auditing process to retain certification. Part of the auditing process is for some participants and their representatives to be interviewed about their experience with Changing Tracks. We will seek consent from registered participants to be interviewed. This consent can be revoked by you at any time.

At various times through the year, you or your chosen representative will be invited to contribute to surveys, evaluations, and other feedback opportunities. We appreciate your assistance and honesty with this important process.

All feedback we receive will remain confidential. Statistics will be shared with all people we support, but no names or personal details will be published.
